Re: Kensington, South Hampton properties

Dear Mike,

My apologies again for the lapse in memory and I hope that the plan, once provided, was helpful for your meeting. Bob Wyman had asked for a copy of the tax maps for Kensington and South Hampton. I went to both towns (a copy of the Kensington map is enclosed). At South Hampton, I was able to look at the map and verify that my plan matches their parcel layout, but amazingly I was told by the Town Clerk that for a copy of the map I had to come back another day when the Assessor's office was open. I thought I would check with you to be sure a second trip out there was really necessary. The current owners in South Hampton were determined by Registry research.

I have also enclosed a copy of the plan and a bill. Please let me know if you need anything else and forgive me, again, for being late with delivery.

Sincerely,

Anne W, Bialobrzeski
